

## TRANSPORT LOG: NON-REGULAR PICK-UPS

**Facility Name:**

BY MARKING “**N**” IN THE “PICK-UP” COLUMN, I AM STATING THAT THERE IS NO “ABSORBENT” BIOMEDICAL WASTE NOR FILLED SHARPS CONTAINERS REQUIRING A PICK UP (or “Mail Away”).

BY MARKING “**Y**”, I AM STATING THAT THERE IS A RECEIPT OR OTHER TRANSPORT LOG FOR THE PICK UP (or “Mail Away”), WHICH WILL BE AVAILABLE FOR INSPECTION.

**This form does not take the place of receipts. It is intended to assist documentation in situations when there is no receipt because a Pick-Up (or “Mail Away”) was not required for the period by Chapter 64E-16 F.A.C.**

Gray area is optional but may help you document generation of less than 25 lbs. a month even if the weight exceeds that when it is picked up (or “Mailed Away”).

\* This is available here (PICK-UP\MAILED - Pounds & Date) for your convenience, although it may also be on the Receipt.
