NOTICE

Address _____

Strap Number _____

The above referenced property is serviced by a "Performance Based Onsite Wastewater Treatment and Disposal System".
Under the provisions of Chapter 62-6, F.A.C., the property owner of said property is required to:

- Obtain an operating permit from the Florida Department of Health in Charlotte County. There is a fee for this permit. This fee will be charged beginning with the second year of operation of this system and shall be renewed every two years. The system is required to be maintained, in perpetuity, in compliance with all lawful requirements.

- All subsequent property owners will receive written notice informing them of the use of the property and is serviced by a "Performance Based Onsite Wastewater Treatment and Disposal System". This notice must be recorded in the public records at the county courthouse.

- The Florida Department of Health in Charlotte County and the Maintenance Entity must be notified when a change of ownership occurs.
